POLICY

1. School profile

Girgarre Primary School was established in 1918 and, as at April 2026, has an enrolment of 26 students. Students and the wider school are supported by a team of educators, including the principal, classroom teachers, education support officers, an IT technician, a business manager and a casual groundskeeper.

Residents of Girgarre are a close-knit and community-minded group of individuals who has developed innovative projects, activities and events to ensure that the community continues to thrive. Students that attend our school live in the township of Girgarre or on properties on the outskirts of town; over 40% of students arrive by bus. Girgarre Primary School has developed close ties to the local community, and enjoys support from our local shops and community services.

We strive to provide a nurturing and challenging environment that empowers students to reach their personal best, both academically and socially.

Girgarre Primary's Statement of Values and School Philosophy is integral to the work that we do and is the foundation of our school community.
